

THE VISION TRAIN

FRIDA

Thursday, July 8, 2021 to Thursday, September 8, 2022

Our Beloved Frida would have been celebrating her 114th Birthday this year on July 6th. In her honor, we celebrate an artist that was ahead of her time by hosting a group exhibition of inspired works of Frida. She was known for her many portraits, self-portraits, and paintings inspired by nature and the culture of Mexico.
